

# Arabella

HOTEL, GOLF & SPA

The Overberg has always been associated with landscapes ranging from hills to windswept beaches, sheep farming and whale-watching rather than with wine-growing and wine tasting.

Yet, the cooler climate of the Overberg region has proved itself to be highly favourable in the production of superb award-winning wines.

The majority of wines on our list originates from the Overberg area in an effort to support the passionate wine making community in our region.
